***Examiner's Statement of Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance: The art of record considered as a whole alone or in combination neither anticipates nor renders obvious, a process for fine machining of a functional first surface on a pre-machined and hardened transmission gear workpiece, the workpiece comprising the first functional surface, a second surface and a cylindrical boring wherein the first functional surface comprises a gearing and the second functional surface does not require hard machining, the process comprising fixing the workpiece on the second surface, machining the gearing according to a continuously working generating grinding process and at the same time and in the same fixing, machining the boring, together in combination with the rest of the limitations set forth in the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alvin J Grant whose telephone number is (703) 305-3315. The examiner can normally be reached on Mon-Fri 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph J Hail can be reached on (703) 308-2687. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
